1. The Invoice Management option comes only with the Frequent Bowlers Tracker optional module
2. The MMS optional system has limitations with BOSS and ACCUSCORE XL scoring systems: View Any Lanes and Strike Challenge features are not available
3. Option valid only for US market
4. Device usable only for the optional module Frequent Bowler Tracker (the Birthday module doesn't work with BOSS and ACCUSCORE XL scoring systems)
5. The On-Center Network Cameras are usable only with the remote Terminal optional module
